What sets us apart from other halls? Simple! We allow flexibility that other venues don't offer. We don't hold our guest to (4) hour time frame like most halls. We allow our guests to have the flexibility to come on the day of their event at scheduled times to set up and decorate.

We are one of the only halls that offer the option to **use our** catering and decoration services or **provide your own** catering & decorating. Our front desk staff is available 24/7.

We have a variety of packages available, and we can customize events to accommodate your taste and budget.
